

▶ PRODUCT DETAIL

▶ INSTALLATION STEPS

1 STEP ONE

1. Turn off the power. Use M4*40mm screws to install the round bagua mounting plate onto the wall junction box.
2. The wires in the junction box are connected to the wires on the light fixture.
3. Use 3 M4*10mm screws to install the lamp body onto the round bagua mounting plate.

2 STEP TWO

1. Put the striped glass lampshade into the lamp holder.
2. Use the barrel tool to lock the lamp head ring into the lamp head.
3. Use the cannon barrel tool to install the light bulb onto the lamp holder. The lower part is also installed following the above steps.
